

HIRING - Automotive Service Technicians

Wayne Pitman Ford Lincoln (in the Guelph Auto Mall) is hiring Automotive Service Technicians.

Here is what we are looking for when we **H.I.R.E**:

H: Honesty - Be truthful and transparent with co-workers and customers.

I: Integrity - Do the right thing and be a team player.

R: Reliability - Show up and bring a consistent work ethic.

E: Excellence - Perform your work with quality and care. What would you want as a customer?

We are looking for fully licensed 310S technicians. Experience is an asset, but we are welcoming of applicants with less experience as well. As a locally owned and family operated business, culture is a large priority for us. If you have the right attitude and work ethic, you can have a stable, prosperous career as you learn and grow with us.

Our unionized shop offers competitive compensation including: flat rate wages, tool & boot allowance, health & dental benefits, and more. Our shop is heated and air conditioned.

If this sounds like an environment that you want to be a part of and contribute to, please apply! If you are considering it but have some questions, please do not hesitate to reach out!

Thank you,

Andrew Linton - Service Manager
