Re: Eric John Bursary

---

Please be informed the Selection Committee has selected Mehakpreet Saini to receive this year's bursary. Mehakpreet is the daughter of Manpreet Saini, a tradesperson from Unifor Local 1285, working out of the Brampton Assembly Plant.

Mehakpreet has accepted her offer to the University of Toronto in the Rotman Commerce at the Faculty of Art and Sciences and is registered to begin in September of this year.

We will follow up with a congratulations letter to Mehakpreet.

Sincerely,

**Ken Anderson**  
Unifor National Skilled Trades Chairperson
